PORT BYRON CENTRAL SCHOOL
PORT BYRON, NEW YORK

Prologue '69

A number usually represents a quantity, a multitude, a collection. The number—"69"—stands for these: a quantity of years, a multitude of experiences, a collection of memories. Yet, "69" means even more; self-determination and hard work, along with the ever-present encouragement and assistance of the faculty and the administration have made for our success.

Foreign Exchange Students

Last summer three Port Byron girls represented the U.S. abroad. They were Marianne Neal, who studied in Wales and toured Europe; Arden Jetty who lived in Guayaquil, Ecuador; and Linda Mills who lived in Bogata, Columbia. Their trips were made possible through the efforts of the community in the I.F.S. drives.

One of the most valuable possessions man can have is land itself. From land comes life, strength, and success of any nation. The soil we hold in our hands places the U.S. as one of the strongest countries in the world. Today these lands are being eroded of their value as a result of poor farming practices. FFA programs are being created to help solve this urgent problem.

Competitive crop demonstrations, in which Port Byron has achieved first place, are held to illustrate these problems. In order to save our natural resources and to teach their values, the F.F.A. is constantly exploring every aspect of farming.

J.V. Cheerleaders

These lovely lasses whom we call cheerleaders are the rabble rousers of today. It is through their efforts that this spirit to fight, to build, to win, is reborn on the football field, on the basketball court, and in the hearts of our young athletes. They give us a commodity we call spirit, but words like patriotism, good sportsmanship, and humanitarianism could be easily substituted. School spirit is important and no less important are the hard working girls who represent school spirit, the cheerleaders.

The outstanding players of the season were pitcher John Tripp, infielders George Harmon and Ken Wilson; outfielders Frank Vitale and Ralph Green. These boys were all members of the Cayuga County All-Star Team. Prospects for the 1969 season are encouraging with seven lettermen returning.

Soccer '68

The Soccer Team this year has had three firsts. They scored their first goal of the season in their first game, thus ending a 17 game scoreless streak. They beat the Auburn team and ended an 18 game losing streak. The last P.B. triumph was against Savannah in a scrimmage that was right down to the wire. The P.B. booters came close to unseating Southern Cayuga, the county champs, leading at the half both games. Next year it is more than likely our boys may boot their way to the sectionals.

Varsity Football

1968

This season's (1968) Football Team probably was the most talented squad that I have had the opportunity to work with.

This squad not only compiled an 8-0 record for the first undefeated, untied season in Port Byron school history, but also extended the school's undefeated string to 23.

Honors received by this squad were:

1. Ten boys were placed on the Cayuga County All-Star Team. The boys being honored this season are Russ Biss, Ed Nicholson, George Harmon, Ernie Williams, Charlie Burke, Conrad Strassle, Randy Cheney, Mike Wilson, Brad Fleury, and Jim Longley.

The Junior Varsity team had a rough season with an overall record of 1-3-1. This year the players were really determined. Headed by John Vitale and Don Morgan, the team was fairly experienced. They were aided by Varsity players Mark Brugan and Ed Grunder. P.B. was right in the thicket of the league's pennant race, until the last game.

L. TO R.: F. Gray, M. Brugan, R. Kolczynski, J. Metroka, D. Casey, D. Jetty, G. Connell, J. D'Alberto.

J.V. Basketball Team

Last year we described our season as "disappointing" but "promising." The '68-'69 squad has eagerly accepted the challenge of a better year and has displayed unremitting efforts of team desire for victory. Diligent practice and performance of pattern offense and a stubborn defense have been rewarded by teamwork, victory, and satisfaction. Ron Kolczynski broke the record for the number of points scored in a game, by scoring 35.

Wrestling Team

After a slow start the P.B. wrestling team began a winning streak ending the season with a 7-5 record. The team placed third in the county and was runner-up in the Cayuga County tournament. The team went to the section IV tournament and gave a good account of themselves. Ernie Williams went on to the finals placing 4th on a referee's decision. Ernie ended his high school career with a 53-5 record. The team has a fine nucleus for next year. Cayuga County champions were: Frank Vitale at 130 lb., Mark Lofft at 141 lb., and Ernie Williams at 165 lb., Tony Van Ditto and Don Morgan were runners-up in divisions.
